

## Redeemer, Mountain Home Shares Stephen Ministry with Peace, Conway

Stephen Ministers from Redeemer Lutheran, Mountain Home visited Peace Lutheran, Conway on Sunday March 30 to commission Peace's Stephen Leaders going to Stephen Ministry Leader Training that entire week in St. Louis. Rev. Ken Taglauer from Redeemer was the guest preacher in both services, and Redeemer's Stephen Ministers led a special presentation during Bible class about the member-to-member caring ministry of the Stephen Series. The Stephen Ministers of Redeemer also gave Peace a banner displaying the Caregiver's Compass of Stephen Ministry. The banner serves as a reminder that Stephen Ministers are always centered in Christ, and are compassionate, full of faith, skilled and trustworthy as they care for their fellow members and local communities with the love of Jesus.
